I. Introduction

On December 27, 2017, the Postal Service filed a request for the Commission to consider revisions to the periodic reporting requirements codified in 39 CFR part 3050.¹ The Commission initiates this rulemaking to seek comments and facilitate the Commission's examination of these periodic reporting requirements.

II. Background

The Postal Accountability and Enhancement Act (PAEA) granted the Commission enhanced information gathering and reporting responsibilities. See 39 U.S.C. 3652(e)(1). The PAEA provides that the Commission shall prescribe the content and form of the public reports the Postal Service files with the Commission under section 3652. In Docket No. RM2008-4, the Commission approved its current periodic reporting requirements.²

On December 27, 2017, the Postal Service filed a request for the Commission to consider revisions to the periodic reporting requirements. First, the Postal Service requests that the Commission adjust the deadlines for the quarterly Revenue, Pieces, and Weight (RPW) report; the Quarterly Statistics Report (QSR); the quarterly Billing Determinants report, and the monthly National

Consolidated Trial Balance and the Revenue and Expense Summary (Trial Balance) report, to align the deadlines with other financial reporting deadlines. Petition at 1. The Postal Service states that revising the regulations so these deadlines align with other financial reporting deadlines will avoid potential restatements of the earlier filed reports once the data for the later filed reports are finalized. *Id.* at 3.

Specifically, the Postal Service wants to move the deadline for the RPW and QSR reports so that the quarterly and year-end report deadlines are the same as the Form 10-Q and Form 10-K report due dates. *Id.* at 2-3. In addition, the Postal Service requests that the deadlines for the quarterly Billing Determinants reports be extended to 60 days after the end of Quarters 1, 2, and 3, and 90 days after the year-end for Quarter 4.³ The Postal Service also requests that the Commission revise the periodic reporting rules so that the Trial Balance reports and the Monthly Summary Financial reports have the same deadline. *Id.* at 5-6.

Second, the Postal Service requests that the Commission modify the format of the Monthly Summary Financial Report to make the report more consistent with the Postal Service's quarterly and annual financial reports. *Id.* at 1. The Postal Service states that the term "Operating Revenue" as it is used in

³ *Id.* at 4. The Postal Service also requests that the Quarter 4 Billing Determinants report be incorporated into the annual Billing Determinants report rather than submitted as a standalone filing. *Id.* The Postal Service states that eliminating the standalone filing would help the Postal Service more effectively allocate scarce time and resources. *Id.*

Tables 1 and 2 of the Monthly Summary Financial Report does not correspond with its usage in its Form 10-K statements. *Id.* at 7. The Postal Service requests revisions to Tables 1 and 2 of the Monthly Summary Financial Report so that the items and amounts reported for total operating revenue reconcile on both tables and the breakdown for revenue more closely aligns with the format in its other financial reports.⁴

Third, the Postal Service requests that the Commission consider eliminating or modifying any reporting requirements that have become unnecessary or irrelevant since the current periodic reporting rules were first implemented in 2009. Petition at 1. The Postal Service requests that the Commission consider eliminating or modifying these requirements to avoid imposing “unnecessary or unwarranted administrative effort and expense” on the Postal Service. *Id.* (citing 39 U.S.C. 3652(e)(1)).

III. Invitation to Comment

Interested persons are invited to provide written comments to facilitate the Commission’s examination of the periodic reporting requirements. In addition to the specific revisions requested in the Postal Service’s petition, the Commission also invites comments on whether specific periodic reporting requirements should be eliminated or modified or whether updates or enhancements to the requirements should be made.

⁴ *Id.* The Postal Service also requests updating Table 2 to reflect the name change of Standard Mail to USPS Marketing Mail. *Id.* Attachment 1 at 2.

Comments are due no later than March 7, 2018. Reply comments are due no later than April 6, 2018. All comments and suggestions received will be available for review on the Commission's Web site, <http://www.prc.gov>.
